This set of 200 precision-cut pine planks for building features red, yellow, orange, pink and natural color planks. Each plank measures 1" x 4.5" x 0.25", and the color comes from water-based stain that is naturally absorbed by the wood. Fifty- and 100-piece sets are also available. Launch date: February 2010.
1/5/2010 (Price: \$43.99; Age: 3 and Up)
