Toys With Mass Appeal

Manufacturers unwrap select 2010 playthings at this month's Fall Toy Preview

CitiBlocs

CitiBlocs offers up its self-named, open-ended construction toy line featuring wooden planks made of New Zealand pine. Seven kits are included in the current assortment: the 52 Piece Wooden Building Set, a starter set of unfinished planks; larger sets of unfinished planks in 100, 200, 300, 500 and 1,000 piece iterations; and a 54 Piece Red/Blue Color Wooden Building Set.
